Art Group Unit 2833

In the Drawings

Applicants noted that when formal drawing Figure 2 was submitted it was inadvertently captioned as "Figure 2A" and "Figure 2B" (in lieu of simply -- Figure 2 --) and the "Prior Art" caption of the original version of informal Figure 2 was inadvertently omitted. Applicants herewith tender a corrected formal Figure 2 bearing a caption as Figure 2 was originally filed.

Said corrected formal Figure 2 is tendered herewith for review by the Examiner and entry by the Official Draftsperson. Applicants assert that no New Matter is introduced hereby.
